Normally there are 4 security. However, additional staff was added due to the opening of the ENMA school within the compound.

Appreciation from Staff, Seniors, Unwed Mothers & the Handicapped

Through generous giving, we were able to continue our tradition of giving a Christmas present of cash or a food basket to every staff member, senior citizen, Blind person, unwed mother or recipient of any services under our Humanitarian Projects. This year we were pleased to include one of our newest recipients, Joshua who has been crippled since early childhood as the result of reaction to medical treatment.

Words from our Executive Director, Mrs. Judy E. Warner

I first heard about an organization sponsoring orphanages and humanitarian projects in Liberia, West Africa in 1996; but, I really didn't understand the full scope of the work until I heard the Founder, Mrs. Sharon L. Ruff, give an overview and felt her sincere compassion about helping children in orphanages and the poorest of the poor in Liberia. Having children of my own and coming from rural Virginia my heart went out for children living in extreme poverty, without one or both parents, who lacked even the basic necessities of life. So, I immediately decided to volunteer my service and to make financial donations to this cause.

However, it wasn't until my first visit to Liberia in 2001 that I saw first-hand the deplorable suffering of the poor in Liberia. I was part of the LO/HP, Inc.'s assessment team and traveled around Monrovia, the capital city. I was overwhelmed with sadness at the living conditions of the Liberian people. Hope came when we made an unannounced assessment visit to the Salvation in Christ Orphanage (SIC). It was at SIC where the children greeted us

with smiling faces, cheers and songs, as our presence was announced. It was like entering an oasis in the middle of the desert. I couldn't help but fall in love with these little ones. And, I also couldn't take my mind off the impoverished condition of children outside the yard.

I have made several visits over the past 19 years and enjoyed working with the orphanages, child daycare, the Blind, the seniors and the unwed mothers that we have sponsored. It is such a sense of personal satisfaction and great joy to see the children being raised up in a wholesome secure environment. Seeing their smiles, hearing their laughter, and knowing that I have played a part in their growth and development is an awesome feeling. Through donations, these have attained what they had never imagined (clean clothes, shoes, sleeping in beds, daily nutritious meals, medicine and educational opportunities from pre-school to college). A great future is awaiting them. ***Their Christmas was a happy one because of you.***

Thank God for each of you who helped us reach our goals for this year! I invite you to visit the Salvation in Christ Orphanage and Humanitarian Refuge Home, Inc. (SIC) on Pipeline Road, Paynesville community, Monrovia, Liberia. You too will fall in love with the children, the youth and the young adults who are completing their education. They are so grateful for everything we have done to improve their lives. Please consider becoming a sponsor. Sponsorship changes their quality of life and make dreams come true. ***Many outside the compound and in rural villages are waiting for an opportunity to escape poverty, hopelessness and misery. Will you help us...help them! Join us in the celebration of a changed life!***

Our Mission

Our mission is to significantly impact the lives of abandoned, abused, neglected and orphaned children in Liberia, West Africa and to engage in humanitarian projects that will improve the quality of life for disadvantaged Liberians, and other underserved individuals around the world.

Imagine living in this underdeveloped country with so many unmet needs. Then, imagine the joy of sponsorship which removes the stain of shame, and gives you tools for success. A small donation can mean so much to the poorest of the poor: children living in orphanages/child welfare homes, the Blind & the disadvantaged at every age. ***Together, we can help improve their lives. Give today! They are waiting!***

LO/HP, Inc. aims to continue sponsoring orphanages, child welfare homes, humanitarian, educational and medical projects, as well as our special initiatives for the Blind. These projects have been successful due to the efforts of caring sponsors, partners and volunteers just like you. We welcome all who have a heart of compassion towards the poor and less fortunate. **GIVE FREELY TO HELP US...HELP THEM!**

Whatever assistance you, your organization or civic group provides will be greatly appreciated. Please consider becoming a monthly sponsor or a partner today. We need Braille laptop computers, new washing machines & dryers, solar panels and generators for electricity. Foreign made vehicles (cars, trucks, and school buses, no more than 6 years old in good running condition) [USA parts are hard to get in Liberia.] are urgently needed. Volunteers are also needed! Supportive assistance for any of our projects is also welcomed. Make a tax-deductible donation payable to **“LIBERIAN ORPHANAGE / HUMANITARIAN PROJECTS, INC.”** or **“LO/HP, Inc.”** ***Use Paypal to donate on the web, or CashApp - \$LiberianCare or use the form below to mail in your donation.
